

SABA supports every athletic program at AHS through money earned from membership dues, sports calendar sales, concession stand operations and individual sports club fundraisers. SABA also gratefully accepts donations from individuals and businesses.

SABA's goal is to help student athletes reach their full potential in academics and athletics, while demonstrating good sportsmanship and citizenship.

100% of money raised by SABA goes to AHS athletics by providing team-building and recognition events, senior congratulations, and special-request items as identified by sports club members and coaches. Each sport has a sub-club of parents, led by a designated SABA representative, who help coaches develop pride and sportsmanship in their sports program.

SABA Activities

At the start of each sports season, SABA hosts a kick-off event with speakers, parent meeting and good food.

Home game concessions are operated by SABA volunteers, so come support your athletes and enjoy great refreshments while watching the Seahawks play.

At each sport's last home game, SABA makes sure seniors and their parents are recognized.

End-of -sports-season banquets, sponsored by SABA, recognizes all athletes, coaches and support people involved in that sports program.

Spring Sports Physicals provide athletes and their parents a perfect opportunity to take care of all the requirements and paperwork necessary to begin Fall sports without a hassle.
